

*An Evening of Tradition,
Conversation, & Community*

at the William Paca House & Garden
Annapolis, Maryland

THE GATHERING

For more than a decade, Blazers . Bourbon . Cigars has brought together the business and civic leaders who help shape Annapolis.

Hosted in the historic William Paca Garden, this annual gathering offers an opportunity to strengthen relationships, exchange ideas, and enjoy an exceptional evening among peers.

While supporting Historic Annapolis and its mission of celebrating the people, places, and partnerships that make Annapolis thrive, attendees come together for something exceedingly rare:

MEANINGFUL CONVERSATION.
